About Webinar

Webinar is a platform for dialogue and information, with regular digital and onsite events, designed for all stakeholders of bilateral economic, commercial and investment relations between Madagascar and Japan.

The platform is part of activities of economic diplomacy of the Embassy of the Republic of Madagascar to Japan.

UNIDO ITPO Tokyo & UNIDO

Antananarivo

This monthly session presents the main activities and tools of the United Nations Industrial Development Organisation (UNIDO), and how stakeholders can leverage and mobilise UNIDO for industrialisation within the framework of the Tokyo Conference for African Development - TICAD.
